Dear Family, Friends and Clients:

Happy Holidays to you, your family and your business. In the coming weeks you will be receiving our popular client checklist to assist you in gathering your 2016 supporting documentation. Once your checklist is complete, please forward the information and checklist for preparation of your return via our portal that can be found at our website www.kjtaxcpa.com. Otherwise, please mail or place your supporting documentation in our secure mailboxes or drop off during our normal business hours Monday through Friday 8AM to 4:30PM. All completed tax returns will be delivered electronically this year. An additional \$15 fee will be assessed for requested paper returns that MUST be mailed. Pickup of returns will not be available this year.

Enclosed is our new Rate Schedule for 2016. With the Affordable Care Act, other tax law changes and increased investments in education and training, we are unfortunately seeing significant increases in the investment to continue preparing and reviewing your tax returns. We are doing our best to keep our fees low by utilizing advanced technologies, subcontracting services and continuing education. In exchange, you can always expect paying the least legal amount of tax possible, superior service and being available to you and your ever tax changing needs.

For our valued business and Individual clients, we are migrating all of our fees for all services to a monthly subscription plan. KJ Tax & Accounting, LLC is offering monthly service that offers a great opportunity for everybody to take advantage of.

Due to privacy considerations we are including SecureDrawer, our secure documentation portal. All tax return and supporting documentation will be securely available at <https://app.securedrawer.com>. All clients will be asked to participate in our required Protection Plus Audit Insurance for \$48 per year. This will ease your mind to know that we will cover any notice from the IRS or State Revenue Department you receive. All clients will be asked to participate in our subcontracting services. Disclosure forms and consent are included. All of these items are very important considerations when it comes to servicing your account. We appreciate your cooperation.
